

## Drama Team FAQ's

### 1. **Who gets involved with the Drama Team?**

The people who are involved with the Drama Team attend Peckville Assembly of God on a regular basis. They feel gifted and want to use their talents to serve our church, and they have a servant's heart, ready and willing to serve where needed. Drama Team members act primarily at the weekend services, but also may perform at other special events.

### 2. **Do I have to be a member of P.A.G. to join?**

You do not have to be a member in order to join. However, by joining, it is our hope that you will decide to make the commitment to go through Membership Class this season, and officially join The Peckville Assembly of God family. We do require that you are a regular attendee for at least two months consistently and have completed a four week class entitled Core 101.

### 3. **Will I be asked to perform every week?**

No. We try to be very conscious of your schedule. For a live drama performance, it depends on when we have a scheduled scene, and if you're a part of it. For video/media projects, the amount of time you spend on the shoot is dependent on the project itself.

### 4. **Will I perform at all services on a Sunday?**

Yes. All services are exactly the same in our Sunday am services. You should be aware you could be asked to perform at the evening service as well.

### 5. **When are rehearsals?**

Rehearsals are scheduled according to need and availability of those involved. But the official day is Thursdays @ 7 p.m.

### 6. **How long do rehearsals usually last?**

Rehearsals last approximately 1-2 hours depending on what needs to be accomplished. The Drama Team usually puts in one hour of rehearsal for every minute of the scene. You will need to be off book for the first rehearsal.
